- If I am a carer of a named user, I understand that it is my responsibility to obtain all permissions considered reasonably necessary to permit the use of the balance bike by the named user before use commences.
- If the balance bike is returned damaged , such damage being beyond that likely to occur in normal use, Mini Eden reserves the right to retain some or all of the deposit paid appropriate to the damage caused.
- Mini Eden reserves the right to charge a penalty fee of £10 per day if you fail to return the balance bike at the end of the hire period and have not agreed an extension to the hire period with Mini Eden.
- I accept that cycle helmets have been offered and should I decide not to use them then I accept full responsibility. I have inspected the helmets & equipment prior to signing this agreement for any defects or damage.
